

[Guide to starting a business](#) > Researching before you start

Researching before you start

Before you start trading, you will need to write a business plan. It will help you plan your start-up and communicate your idea to the outside world to attract finance and your first customers.

Writing a business plan

This document gives you information on:

- Business description
- Personal details
- Market description
- Market research
- Marketing plan
- Pricing and sales analysis
- Finances
