

## Other business options

Once you have a viable idea you may want to think about the different types of business you could set up. Apart from the stand-alone business there are also social enterprise and franchising options.

### Social enterprise

Do you want to start a business that makes a profit but also helps others?

This document has sections on:

- What is a social enterprise?
- Is starting a social enterprise for you?
- What is a co-operative?

### Franchise

Do you want to work for yourself but don't have a viable business idea? Or do you want to start a business that you know has worked before?

This document has sections on:

- What is franchising?
- Is buying a franchise for you?
- What is social franchising?
- Where to find out more
