

Basic financial and legal requirements

Getting money to start a business is hard at the best of times, but there are a number of sources of help, which range from central government initiatives to self-help schemes. Refugees in business will need to know about these. They will also need to be familiar with the basics of business in the UK, including legal requirements.

This section describes:

- Mainstream sources of finance
- Alternative sources of finance
- The basics of running a business in the UK
- Legal requirements
- Why businesses fail
- If it all goes wrong
